All articles competing for prizes must be the *bona fide* property of the competitor at least two months previous to the Exhibition; if proved not to be such, the competitor to be disqualified from receiving any prize.

All entries must be made not later than Saturday, 28th August, and the articles must be in position on the tables, by 10 a.m. on Wednesday, 1st September. This Rule to be strictly adhered to.

All articles to remain in the Building till the close of the Exhibition.

Judges to have the power of withholding a prize if they consider the article does not merit it, or award an Extra for any article not mentioned in the Prize List, if they think it deserving, with the consent of the Directors.

The decision of the Judges to be final. In no case can a Judge compete in a class, where he is acting as a Judge.

No person can take more than one prize, in the same class, and any deviation from numbers specified in the Prize List, to disqualify the article from a prize.

All complaints must be made in writing to the Secretary, which he shall lay before the Board of Directors, at a meeting to be held the last day of the Exhibition, at 2 p.m.

No person will be allowed in the Building, while the Judges are awarding prizes.

Any person may become a member, on the payment of one dollar. And each member will receive two tickets of admission, to the Exhibition, to be given up at the door.

Professional Gardeners, wishing to exhibit, must pay an extra dollar, besides the membership fee, for which they will receive a ticket admitting them at all times to the Exhibition. Amateurs exhibiting are not expected to pay this extra dollar.

All entries must be made on forms supplied by the Secretary; and no entries will be made unless the entrance fee be paid.

Parties at a distance can make their entries by mail, and receive all information from the Secretary.
